

For a decade Burundi suffered a civil war that claimed up to 300,000 lives. Today the country is recovering from the genocide but has a long way to go. It is rated as one of the poorest & most food challenged countries in the world.

I'm pumped to be part of the first team from The Chapel to travel to Burundi, Africa on **JUNE 15-25**. We will be working with Harvest for Christ Burundi, a well-respected ministry led by a highly-dedicated indigenous team of Christ-followers. We will be coming alongside of HFC to help reach and serve the Ba-twa people group of northern Burundi. They are a shunned people group with the average life span of 27 years. The Chapel plans to adopt a Ba-twa village and join with Harvest for Christ in a Christ-centered holistic ministry through building of homes and sharing the good news of Christ. We will also be listening for what else may be done to bring the love of God to the Ba-twa.

While I'm looking forward to this trip, I know I can't do it alone! I'll need friends and family to partner with me!
